COVID-19 Resources for Kentucky and Southern Indiana

Version: 04.03.20

We are providing links active as of 04.03.20 and will try to update links but keep in mind there may be newer information available.
Stay Informed via Reputable Sources - National Resources

Reliable online sources on the new coronavirus and COVID-19. While no one source of information is perfect, some are undeniably better than others! It’s best to look for sites that:

- rely on experts who use well-accepted scientific analyses and publish their results in reputable medical journals
- have a mission to inform and protect the public, such as the CDC and the WHO, which recently added a myth busters page to its information on the virus
- are not promoting or selling a product related to the information provided.

Other good online sources of information on the virus include:

- Medline Plus, from the US National Library of Medicine
- the UK’s National Health Service
- the US Food and Drug Administration

Source: Harvard Health Publishing

We are providing links active as of 04.03.20 and will try to update links but keep in mind there may be newer information available.
Stay Informed via Reputable Sources - State Resources

- Kentucky’s COVID-19 Hotline (800) 722-5725
  - The COVID-19 hotline is a service operated by the healthcare professionals at the KY Poison Control Center who can provide advice and answer questions. Please be patient as we are handling a high volume of calls and want to give everyone the time they deserve. For general information, please review the website prior to calling the hotline. Guidance is being added as it becomes available.

- COVID-19 Related Actions taken by Gov. Andy Beshear
  - A timeline of daily actions and executive orders can be found here.

We are providing links active as of 04.03.20 and will try to update links but keep in mind there may be newer information available.
Stay Informed via Reputable Sources - State Resources

Guidance from the state by topic:

- At home
- K-12 Schools and Childcare programs
- Healthcare settings
- Those at risk for serious illness from COVID-19
- Homeless shelters
- Reducing stigma
- Social Distancing while in Recovery

- At work
- Colleges and Universities
- Pregnant women and children
- Large events and gatherings
- First responders
- Guidance for Kentucky Community- and Faith-Based Organization

We are providing links active as of 04.03.20 and will try to update links but keep in mind there may be newer information available.
Resources 65+

- Some grocery stores are offering special shopping hours for vulnerable populations - check your local stores but also consult this list

- The CDC has special recommendations for those over 65, or with underlying conditions - view them here

We are providing links active as of 04.03.20 and will try to update links but keep in mind there may be newer information available
Local Resources for Social Services

211.org is the most comprehensive source of locally curated social services information in the United States and most of Canada.

This website provides information and links to resources including:

- Health Insurance and Medical Expenses
- Home Internet Access
- Small Business Loans
- Unemployment Benefits
- Mortgage, Rent and Utilities Payment assistance
- SNAP/Food Stamps
- Food Assistance
- Relief for “Gig Economy” Workers and Contractors
- Mental Health and Crisis

We are providing links active as of 04.03.20 and will try to update links but keep in mind there may be newer information available.
Things to do While Hanging at Home

Being healthy and stuck at home is a best-case scenario right now — but that doesn’t mean cabin fever isn’t real.

Scott Kelly, a retired NASA astronaut, offered advice on isolation from his year on the International Space Station: Follow a schedule, pace yourself with work, make sure to leave time for fun activities — he watched “Game of Thrones” twice — and go outside if you can (but leave at least six feet between you and others).

- Make little occasions special. A Seattle psychologist dresses up with her husband and children for a “family date night,” and plants a garden with her daughters.
- Follow your favorite writers. Many authors are using social media to engage with their fans, offering readings, art classes and other activities.
- Start bringing movement into tiny moments. It doesn’t take fancy equipment — or any equipment — to exercise at home.
- Have a virtual happy hour with your friends. Try to ask a question that’s not about the virus, like: What is the most hilarious thing you’ve seen that distracted you from the current situation?
- Listen to these podcasts, which will make you laugh, calm down or dance.
- What’s the organizational expert Marie Kondo up to while working from home? Tidying, of course.
Things to do While Hanging at Home

Companies Offering Temporary Relief*

**AT&T**: waiving domestic plan overage charges for data, voice or text. The waiver applies to residential or small business wireless customers who are facing economic hardship related to the coronavirus pandemic. The company is also waiving any late payment fees on wireless, home phone or broadband residential or small business customers who can’t pay their bill due to hardship; additionally, no service will be terminated due to inability to pay. *All resolutions offered by AT&T will be in effect for the next 60 days.*

**Cox Communications**: offering a low-income internet tier with no annual contract to individuals who need internet during the COVID-19 pandemic. There are no qualifications for the service. It costs $19.00 per month, but will have a temporary boost up to 50 Mbps, for free, through May 15. Additionally, customers unable to pay their bill at this time will not have their service terminate and will not incur any late fees due to their economic circumstances related to the COVID-19 pandemic.

**Sprint**: providing assistance to customers affected by COVID-19. The company is offering unlimited data for 60 days to customers with metered plans (in effect as of March 18). Additionally, Sprint is giving 20 GB of free mobile hotspot to customers with devices capable of becoming a hotspot, and is also waiving per-minute toll charges for international long-distance calls from the U.S. to CDC-defined Level 3 countries (effective 3/17).

*Please contact your service provider directly with questions or for additional information.
Companies Offering Temporary Financial Relief*

**Xfinity**: making hotspot connectivity free, including for non-Xfinity internet customers. Additionally, the internet service company is pausing data plans through May 13 and giving all customers unlimited data for no additional charge.

**T-Mobile**: all customers as of March 13 who have plans with data will be given unlimited smartphone data for the next 60 days, excluding roaming. Additionally, customers with smartphone mobile hotspots can add 20GB of data by adding the COVID-19 Response High Speed Smartphone Mobile HotSpot feature for each voice line. T-Mobile customers who need more time to pay their bills can set up a payment arrangement online.

**Verizon**: not charging late fees or terminating service for individuals who cannot pay their bill in full due to hardship faced from the COVID-19 pandemic. Additionally, the servicer is offering free international calling to countries identified by the CDC as level 3 impacted by COVID-19 (exception: a maximum of 300 minutes of free calling will be provided for calling Iran, Latvia, Lithuania and Slovenia).

*Please contact your provider directly with questions or for additional information.*
Companies Offering Temporary Financial Relief*

**LG&E and KU**: until at least May 1, 2020, LG&E has suspended disconnects for their residential and business customers who may have difficulty paying their bill. They’ve also waived new late fees incurred during this time.

**Louisville Water**: has suspended turn-offs amid COVID-19 outbreak

- **Customer Assistance Program**

**Credit Card Payment and Debt Relief**: site provides links to many of the major credit card companies and how they are responding to COVID-19

*Please contact your provider directly with questions or for additional information.*
Federal Government Websites for Student Loan Information

**Coronavirus.gov** — The Centers for Disease Control and Prevention offers this site, which features everything from prevention tips, common symptoms, and current updates on how many cases there are in the United States, to advice about travel and a list of frequently asked questions.

**USA.gov coronavirus page** — USAGov shares how agencies across the federal government are responding to the outbreak.

**Federal student loan servicers** — Our website lists servicer contact information for borrowers who want to ask questions, request a deferment or forbearance, etc.

**U.S. Department of Education COVID - 19 information for schools and school personnel**

**Information for Financial Aid Professionals website** (for postsecondary school financial aid staff; look for information in the “Letters and Announcements” section)

*Please contact your provider directly with questions or for additional information.*
The Department of Labor (DOL) has released summary overviews of what the law will require of employers (and employees) for emergency paid sick leave and the Family Medical Leave Act (FMLA). Please keep in mind this information may be updated.

- Families First Coronavirus Response Act: Employer Paid Leave Requirements
- Families First Coronavirus Response Act: Employee Paid Leave Rights
- COVID-19 and the Family and Medical Leave Act: Questions and Answers

Own a small business?

- The Kentucky Small Business Development Center (KSBDC) is offering help with contingency planning for small businesses. You can request a Zoom meeting or phone call here. On this same page, you can scroll down to register for their next webinar as well.
- A checklist for your business in this financial crisis (KSBDC)
- Steps you need to take to safeguard your business (KSBDC)
- Information about the Small Business Administration’s Disaster Loan program (there is more information on the next slide, but this page from KSBDC provides a good overview of the program and eligibility requirements)
- Cost free coaching for your small business (KSBDC)
- Another nonprofit assisting small businesses is SCORE and they are also hosting webinars for business owners
- Find support and resources in the Small Business of Kentucky Facebook group

We are providing links active as of 04.03.20 and will try to update links but keep in mind there may be newer information available.
Own a small business?

- The Small Business Administration's (SBA) Economic Injury Disaster Loan program provides small businesses with working capital loans of up to $2 million that can provide vital economic support to small businesses to help overcome the temporary loss of revenue they are experiencing.

- The SBA also produced a Small Business Resource Guide for the state of Kentucky. This guide was produced last year before the current pandemic, but may have information you are looking for inside. On page 7 there are phone numbers for their local offices and staff; you can also find their Kentucky office website here.

- The IRS has extended the tax filing deadline to July 15th. Their Small Business/Self Employed resource page is here.

If you have a library card with overdue fine-restrictions, if you have a library card that has expired or is about to, or if you are eligible for a library card but don’t have one yet, we want to make sure LFPL’s digital resources are available for you during the COVID-19 related closure. That’s why we have decided to temporarily make the following changes:

- New Library cards will be granted virtually – follow directions at [www.lfpl.org/get-card.htm](http://www.lfpl.org/get-card.htm)*
- Restrictions due to overdue fines and replacement fees have been lifted
- Expired and soon-to-be expired library cards are extended until June 1st
- All holds have been extended to 21 days so that your current holds will be here when we reopen
- **Late fees are suspended at this time, don’t worry about returning materials to the Library until we reopen**

We are providing links active as of 04.03.20 and will try to update links but keep in mind there may be newer information available.
Louisville Free Public Library
